APO 925

Mr. Richard Bissell

STATINTL

Dear Dick:

I have your letter of 14 March giving me your new schedule. Actually, this is better at this end. As I said, General H. will be away between 24 March and 3 April. So will I. General H. was particularly disappointed because it appeared he might not see you.

Under your new schedule we anticipate that both of us will be here. We are looking forward to seeing you.

Try and save us an evening if you can. All the best to you, Dick.

Sincerely,

HARRIS B. HULL  
Colonel, USAF  
Deputy for Intelligence
